

Dear Rachael

It has been a pleasure to work with you as my Realtor. You came to me with a recommendation from a close friend who had worked with you before myself and their recommendation is duly seconded by me.

You seem to be very perceptive to a client's needs and always willing to quickly respond in an emphatic fashion to queries and questions. The ~~a~~ complicated process of home buying which you made to seem easier some how!

Best wishes & I will look forward to working with you again

Dear Rachel:

Now that the dust is settling, and the holidays are over, we wanted to take this opportunity to thank you so very much for your amazing efforts as we perused the purchase of our new home. Now that we can chuckle about it, we can certainly attest that there were some very interesting, albeit nerve wracking, moments during that pursuit. You were always available to us when we needed you, and went above and beyond the call of duty at every step of the way. We can say with certainty that we probably would not be in the house that we are in now, without your valiant efforts on our behalf.

We look forward to seeing you in the new neighborhood, and certainly will recommend your services to any of our friend who may be in need of a realtor in the area. Wishing you good health and happiness in the New Year, and much joy from your family.

Fondly,

Dear Rachel,

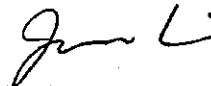

It was a true pleasure having you as our agent for the purchase of our home in Bala Cynwyd.

Thank you for your excellent work, advice and support during the search and purchase process. You assisted us in all phases of negotiations, went out of your way to answer questions and made the purchase process smooth and simple.

Your extensive real estate experience, professional manner and integrity are commendable and we are so grateful you were on our side. We could not be more pleased with the services and support you provided and the home you helped us purchase.

Thank you again for a job very well done!

Sincerely,
